

April 7, 2018
9:00am-2:00pm
Griffin Park
Josephine County

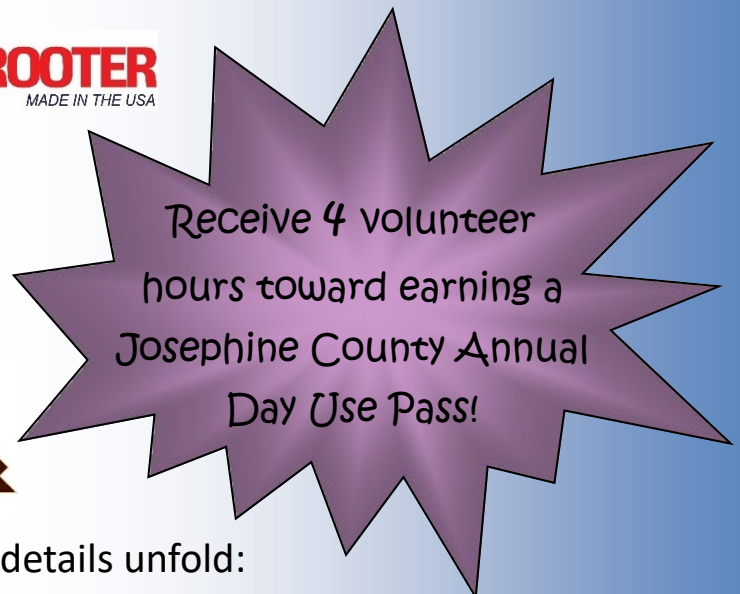

**Calling all land
stewards!**

Weed Wrangle - Grants Pass is a single day event focused on caring for our public lands by removing invasive plants. We will continue our work from last year, targeting the removal of Scotch broom, dyer's woad, and garlic mustard at Griffin Park and the neighboring BLM land.

Meet at the Griffin Park Shelter at 8:30 am to register and join the fun!
Earn 4 volunteer hours toward an annual park pass and enjoy a meal from 1:00-2:00 in appreciation for a job well done!

County Park Day-Use Fee will be waived for participants. Tools will be provided. Bring gloves and wear long sleeves, pants, and work boots.

Join the event on Facebook for updates as details unfold:
